(502) 543-3608 (fax)

March 14, 2008

Dear Kindergarten Parents:

Let me take this opportunity to welcome you to the Bullitt County Public School System. You are entering a milestone educational experience with your child, one that I know you will enjoy. Kindergarten is such an exciting time, maybe a little nervous at times, but a time that you will see tremendous educational growth in your child.

This letter is to make you aware that Bullitt County Public Schools will have 8 early release Wednesdays in the 2008-2009 school year. Early release Wednesdays will allow schools to work together as faculties and staff to improve the overall instructional program. Early release days will occur on:

**September 10, 2008**  
**October 8, 2008**  
**November 12, 2008**  
**December 10, 2008**  
**January 14, 2009**  
**February 11, 2009**  
**March 11, 2009**  
**April 8, 2009**

The Bullitt County YMCA Program is available to all elementary schools. They will be offering before and after school care. The YMCA will provide a 3 day package that can be used at any time for \$28.00. The price will cover care for any three days/times that you choose. These times do not have to be used consecutively, but at your discretion. Should you have additional questions, please feel free to contact the YMCA at 543-3985 or your child's school.

Respectfully,

A handwritten signature in black ink, appearing to read "T. Price", written over a white background.

Terry L. Price, Ed.S.  
Director of Elementary Education  
Bullitt County Public Schools
